THE BOARD OF DIRECTORS HATHWAY CABLE AND DATACOM LIMITED

**LIMITED REVIEW REPORT ON THE UNAUDITED STANDALONE FINANCIAL
RESULTS FOR THE QUARTER AND SIX MONTHS ENDED ON SEPTEMBER 30, 2014**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **Hathway Cable and Datacom Limited** for the quarter and six months ended on September 30, 2014 except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management to the stock exchanges and have not been reviewed by us. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Without qualifying our observations, we invite attention to note no. 9 to the unaudited standalone financial results in respect of basis of recognition of income from operations under regulation relating to Digital Addressable System and note no. 4 in respect of change in the method of providing depreciation.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the Accounting Standards notified under the Companies Act, 1956 which were deemed to be applicable as per Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to Standalone Accounts

- The above results were reviewed by the Audit Committee and approved by the Board of Directors in their meetings held on November 13, 2014.
- The Company is a Multi System Operator providing Cable Television Network Services, Internet Services and allied services which is considered as the only reportable segment. The Company's operations are based in India.
- The figures for the corresponding periods have been regrouped, wherever necessary, to make them comparable.
- The enactment of the Companies Act, 2013 requires that the Company should reassess useful life of its fixed assets and provide depreciation based on such re-assessment with effect from April 1, 2014. While carrying out this exercise, the Company has decided to revise its policy of providing depreciation on certain fixed assets. Depreciation on such assets is now provided on straight line basis (SLM) as against written down value basis (WDV) based on useful life specified in Schedule II to the said Act. There is no change in the method of depreciation for Set top boxes while internet access devices at clients' locations are now depreciated over 8 years on SLM. In addition, the Company has also identified certain assets having useful life shorter than what have been prescribed and such assets are depreciated at such revised estimated useful life. The retrospective computation of depreciation has resulted in net surplus of Rs. 4,185.92 lakhs and the same is disclosed as Exceptional Items in the previous quarter. This is in accordance with Accounting Standard 6 on Depreciation Accounting. Had the Company continued to use the earlier policy of depreciation, the debit to the statement of profit and loss after tax for the current period (Year to Date) would have been higher by Rs. 274.29 lakhs and for the current quarter would have been higher by 154.06 lakhs.
Further based on transitional provision provided in Note 7(b) of Schedule II to the said Act, an amount of Rs.1,335.31 lakhs has been adjusted with retained earnings in respect of assets having no useful life as on April 1, 2014.
- During this quarter, the company had issued and allotted 94,00,000 equity shares on September 09, 2014 for a cash price of Rs.320 (including premium of Rs. 310 per share) aggregating to Rs. 30,080 lakhs by way of preferential allotment as per SEBI (ICDR) regulation 2009. Out of the total proceeds, the Company has incurred Rs. 438.30 lakhs towards share issue expenses.
