6

Notes to Standalone and Consolidated Accounts

- 1 The above results were reviewed by the Audit Committee and approved by the Board of Directors in their meetings held on May 29, 2015.
- 2 The Company is a Multi System Operator providing Cable Television Network Services (under MSO licence issued by Ministry of Information and Broadcasting) and Internet Services (Under Unified Service License issued by department of Telecommunication) and allied services which is considered as the only reportable segment. The Company's operations are based in India.
- 3 The figures for the corresponding periods have been regrouped, wherever necessary, to make them comparable.
- 4 The financial figures of last quarter i.e. quarter ended March 31, 2015 are the balancing figures between audited figures in respect of the full financial year ended on March 31, 2015 and the published year to date figures up to the third quarter i.e. December 31, 2014.
- 5 The enactment of the Companies Act, 2013 requires that the Company should reassess useful life of its fixed assets and provide depreciation based on such re-assessment with effect from April 1, 2014. The Company has decided to provide depreciation on all fixed assets, except Set top boxes on straight line basis (SLM) as against written down value basis (WDV) based on useful life specified in Schedule II to the said Act. There is no change in the method of depreciation for Set top boxes.
 - a. This change has resulted in net surplus of Rs. 6401.62 lacs and is disclosed under as Exceptional Items. Had the Company continued to use the earlier method of depreciation, the debit to the statement of profit and loss after tax for the current period (year to date) would have been higher by Rs. 801.93 lacs.
 - b. Based on transitional provision provided in Note 7(b) of Schedule II to the Act, the charge to retained earnings in respect of assets having no useful life as on the effective date, net of deferred tax is Rs.1255.62 lacs on standalone basis and Rs. 1501.24 lacs on consolidated basis.
- 6 The Company had allotted on a preferential basis,
 - a. 94,00,000 equity shares of Rs. 10/- each on September 09, 2014 for a cash price of Rs.320 aggregating to Rs. 30,080 lacs and
 - b. 47,00,000 equity shares of Rs. 10/- each on October 14, 2014 for a cash price of Rs.320 aggregating to Rs. 15,040 lacs.
 The utilisation of these proceeds is in line with the objects stated in the respective offer letters. The unutilised amount as on March 31, 2015 is Rs. 10,410.91 lacs of which Rs. 8,910.91 lacs is invested in units of Mutual Funds and Rs. 1,500 lacs is parked in cash credit account on temporary basis.
- 7 Pursuant to the sub-division of the Equity shares of the Company, each Equity share of the face value of Rs. 10/- was sub-divided into 5 Equity shares of the face value of Rs.2/- each fully paid up w.a.f. January 07, 2015 and it ranks pari-passu in all respect with existing fully paid up Equity Shares of Rs. 10/- each. In view of the same, for the purpose of ease of comparison, EPS for earlier periods have also been recomputed considering face value of Rs. 2/- per share.
- 8 Pursuant to introduction of Digital Addressable System (DAS), in terms of TRAI Regulations the Company is required to inter alia enter into inter connect agreements with local cable operators in notified cities. However, due to market conditions, the Company is still to fully implement the regulations. Pending execution of documentations, income recognized is based on various underlying factors including rate charged by other MSO's, ongoing negotiations with cable operators etc. The management has reviewed the outstanding receivables and is confident that it is stated at realizable amount and no adjustment is required. Further, the Company has changed the manner in which it recognises subscription income relating to secondary points in Delhi from gross of LCO revenue share to net of LCO revenue share in line with the principle followed prior to November 1, 2013. This change has been effected from October 1, 2014. Had the Company recognized and presented the revenue on net basis, Total Subscription Income from Cable Television for the quarter and the year ended on March 31, 2015 would have been lower by Rs. Nil and Rs. 2,750.88 lacs respectively and the same has no impact on profitability of the company.
- 9 The Company has its presence in various cities, which form part of phase III of DAS rollout in terms of TRAI regulations, including Hyderabad where DAS rollout is sub-judice. Preparatory to DAS rollout dates in each of these markets, the Company has established required infrastructure. The monetization of these investments is subject to successful DAS rolled out.
