INDEPENDENT AUDITOR'S REPORT

To the Members of Hathway Digital Saharanpur Cable & Datacom Private Limited Report on the Financial Statements

Opinion

We have audited the financial statements of **Hathway Digital Saharanpur Cable & Datacom Private Limited** (the Company), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019 and its loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no other key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the Other Information. The Other Information *inter alia* comprises of the Directors' Report, Management Discussion & Analysis and Chairman's statement (but does not include the financial statements and our auditor's report thereon), which we obtained prior to the date of this report, and the rest of the Annual Report is expected to be made available to us after that date

Our opinion on the financial statements does not cover the Other Information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the Other Information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

When we read the balance part of Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to Those Charged With Governance and take appropriate actions in accordance with Standards on Auditing.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity, cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read together with relevant rules issued there under and relevant provisions of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and
 - g) Since the Company is a private limited company, the provisions of section 197 of the Act are not applicable. Accordingly, no reporting is required with respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act; and

G. M. KAPADIA & CO.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 4.02 to the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There were no amount required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to the Independent Auditor's Report

Re: Hathway Digital Saharanpur Cable & Datacom Private Limited

Referred to in paragraph I under "Report on Other Legal & Regulatory Requirements" of our report on even date to the members of the Company on financial statements for the year ended March 31, 2019:

- (i) The company did not have Property, Plant and Equipment, therefore sub-clause (a) regarding maintenance of proper records of property, plant and equipment, sub-clause (b) regarding physical verification of property, plant and equipment, and sub-clause (c) regarding title deeds of immovable properties, of clause 3(i) of the Order are not applicable to the Company;
- (ii) The Company did not have any inventories of finished goods, stores, spare parts and raw materials, therefore clause 3(ii) of the Order, regarding physical verification of inventory at reasonable intervals and regarding material discrepancies on physical verification are not applicable to the company.;
- (iii) The Company has not granted any secured or unsecured loans to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013. Consequentially sub-clause (a), (b) & (c) of clause 3(iii) of the Order are not applicable to the Company.
- (iv) Based on the audit procedures applied by us, during the year under audit, the Company has not granted loans, guarantee and security or made investments which require compliance in terms of the provisions contained in the section 185 or section 186 of the Act. The Management has, based on legal opinion, represented that overdue book debts are not in the nature of loan and hence do not fall within the scope of section 185 of the Act. In such circumstances, para 3(iv) of the Order is not applicable;
- (v) In our opinion and according to the information and explanation given to us, the Company has not accepted deposits from the public and therefore, the provisions sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under are not applicable to the Company. We have been informed by the management that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this regard;
- (vi) The Central Government has not specified the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013, for services rendered by the Company;
- (vii) (a) The Company has generally been regular in depositing with appropriate authorities undisputed statutory dues such as provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and services tax, cess and other applicable statutory dues. According to information and explanations given to us, no undisputed statutory dues payable were in arrears as at March 31, 2019, for a period of more than six months from the date they became payable;

- (b) Based on our audit procedure and according to the information and explanations given to us there are no dues payable by the Company on account of any dispute in case of income tax, service tax, goods & services tax and other statutory dues as applicable as on 31st March, 2019; except for the Income-tax reported as under:

(Amount in Rupees)

Name of Statute	Nature of Dues	Amount	Period to which amount relates	Forum where dispute is pending
Income Tax Act, 1961	Penalty u/s 271(1)(C)	64,000	FY 14-15	DY. Commissioner of Income – Tax 12(2)(2), Mumbai.

- (viii) Based on our audit procedure and according to the information and explanations given to us, The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders during the year, therefore question of defaulting in repayment of dues of any financial institution or banks during the year does not arise;
- (ix) In our opinion and according to the information and explanations given to us and based on overall examination of records, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year, therefore, clause 3(ix) of the Order is not applicable;
- (x) To the best of our knowledge and belief and according to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year;
- (xi) The Company has not paid or provided for any managerial remuneration during the year and therefore requisite approval mandated by the provisions of section 197 read with Schedule V to the Act does not arise;
- (xii) In our opinion and according to information and explanation given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3 (xii) of the Order is not applicable to the Company;
- (xiii) According to the information and explanations given to us, transactions with the related parties are in compliance with section 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards;
- (xiv) Based on our audit procedures performed and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company;

G. M. KAPADIA & CO.

- (xv) Based on our audit procedures performed for the purpose of reporting the true and fair view of the financial statements, the Company has not entered into any non-cash transactions with directors. We have been informed that no such transactions have been entered into with person connected with directors. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company; and
- (xvi) The Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditor's Report

The Annexure referred to in Paragraph 2(f) under "Other Legal and Regulatory Requirements" of our report of even date, on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the the Act

We have audited the internal financial controls with reference to financial statements of the **Hathway Digital Saharanpur Cable & Datacom Private Limited** ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2019 based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

Authorization of Financial Statements

The financial statements were authorized for issue in accordance with a resolution of the directors on

02 APR 2019

1.00 Summary of Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the presentation of these financial statements.

1.01 Basis of preparation

(i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act and rules there under. In accordance with proviso to the Rule 4A of the Companies (Accounts) Rules, 2014, the terms used in these financial statements are in accordance with the definitions and other requirements specified in the applicable Accounting standards

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:
Certain financial assets and liabilities are measured at fair value.

1.02 Current versus Non-Current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is classified as current when it is:

- a) Expected to be realised or intended to sold or consumed in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle. Based on the nature of operations, the Company has ascertained its operating cycle as 12 months for the purpose of current/ non-current classification of assets and liabilities.

1.03 Use of Judgements, Estimates & Assumptions

While preparing financial statements in conformity with Ind AS, we make certain estimates and assumptions that require subjective and complex judgments. These judgments affect the application of accounting policies and the reported amount of assets, liabilities, disclosure of contingent liabilities at the statement of financial position date and the reported amount of income and expenses for the reporting period. Financial reporting results rely on our estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. We continually evaluate these estimates and assumptions based on the most recently available information.

Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are as below:

- a) Evaluation of recoverability of deferred tax assets.

1.04 Property, plant and equipment

Property, plant and equipment is stated at cost, less accumulated depreciation and accumulated impairment losses. The initial cost of an asset comprises its purchase price, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss.

Depreciation on Property, plant and equipment

Depreciation on Property, Plant and Equipment is provided on straight line method. In accordance with requirements prescribed under Schedule II of Companies Act, 2013, the Company has assessed the estimated useful lives of its Property, Plant and Equipment and has adopted the useful lives and residual value as prescribed in Schedule II.

Depreciation on stores and spares specific to an item of property, plant and equipment is based on life of the related property, plant and equipment.

In case of additions or deletions during the year, depreciation is computed from the month in which such assets are put to use and up to previous month of sale, disposal or held for sale as the case may be. In case of impairment, depreciation is provided on the revised carrying amount over its remaining useful life.

All assets costing up to Rs. 5,000/- are fully depreciated in the year of capitalisation.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

1.05 Intangible Assets

Intangible Assets acquired separately Intangible assets comprises of Goodwill

Goodwill that are acquired separately are carried at cost less accumulated impairment losses.

1.06 Impairment of Property, Plant and Equipment and Intangible Assets

Carrying amount of Property, Plant and Equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or Company's assets (cash-generating units).

1.07 Cash and Cash Equivalents

Cash and cash equivalents for the purposes of Cash Flow Statement comprise cash at bank and cash in hand.

1.08 Financial Instruments

A. Financial Assets

(i) Classification

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through statement of profit and loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in statement of profit and loss or other comprehensive income.

(ii) Measurement

At initial recognition, the company measures a financial asset except for trade receivable at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit and loss.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss.

Trade receivables are recognised initially at transactional price less provision for impairment.

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when the rights to receive cash flows from the asset have expired.

(iv) Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

B. Financial liabilities

(i) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

(ii) Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using effective interest method or at FVTPL.

1.09 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a current pre-tax rate. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed in the case of:

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent Assets is disclosed when inflow of economic benefits is probable.

Contingent Assets is disclosed when inflow of economic benefits is probable.

1.10 Revenue Recognition

During the year, company had no operations and therefore did not have any policy for revenue recognition.

1.11 Taxes on Income

Current Tax:

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax:

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity.

The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities.

1.12 Earnings per share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.13 Rounding Of Amounts

All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest lakhs, except where otherwise indicated.

NOTES TO THE FINANCIAL STATEMENTS

(All Amounts are Rupees In Lakhs unless otherwise stated)

4.01 DISCONTINUED OPERATIONS & GOING CONCERN ASSUMPTION:

The Company was engaged in the business of distribution and transmission of Cable TV signals in analogue mode and acting as a Multi System Operator (MSO) upto 30th September 2016. Due to notification no S.O.2308(E) dated September 11, 2014, as issued by the Ministry of Information & Broadcasting, Govt. of India, DAS has been introduced in the company's network area with effect from January 1, 2016, and it has become mandatory for all the broadcasters, MSOs & local cable operators to transmit the signals of cable TV channels in Digital mode only. Considering the change in legal framework in which the company operates, the Company has entered into business arrangement with Hathway Cable and Datacom Ltd. (Co-Venture) for providing content in digital mode and to provide necessary support.

During the F.Y. 2016-17 the company fully impaired its Property, Plant and Equipment (net of residual value) which were being used by it for running its business in Analogue mode, including Goodwill totalling to Rs.51.44 Lakh & also provided for impairment loss in Capital Credit to the tune of Rs. 48.67 Lakh. The same were charged to the Statement of Profit & Loss as Exceptional item.

4.02 CONTINGENT LIABILITIES & CLAIMS AGAINST THE COMPANY NOT ACKNOWLEDGED AS DEBTS

On assessment of Company's ITR filed for AY 15-16, the Deputy Commissioner of Income Tax has issued show cause notice proposing to levy penalty of Rs.64,000 U/s 271(1)(c), for concealment of the particulars of income or furnishing inaccurate particulars of such income in respect of a sum of Rs.2,07,120/-, being unreconciled amount of "AIR Information" on account of difference in income reflected in its 26AS but not considered in the Income tax computation for the above said assessment period.

The company has challenged the said demand notice in appeal filed before the Commissioner of Income-tax (Appeals). No provision for the subject tax demand has been made by the Company since it is confident of getting the subject demand quashed upon disposal of appeal.

4.03 SEGMENTAL REPORTING

As the Company does not have any business activity during the period, therefore segment reporting in terms of Ind AS 108 on "Operating Segment" is not applicable.

The Company is not subject to externally imposed capital requirements

4.10 FINANCIAL INSTRUMENTS : ACCOUNTING CLASSIFICATIONS, FAIR VALUE MEASUREMENTS, FINANCIAL RISK MANAGEMENT

(i) Methods and assumptions used to estimate the fair values

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The carrying amounts of trade receivables, cash and cash equivalents, trade payables and short term deposits are considered to be the same as their fair values, due to their short-term nature.

(ii) Categories of financial Instruments and fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial Instruments by valuation technique:

Level 1: unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: inputs other than quoted price included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3: unobservable inputs from assets and liability

Particulars	March 31,2019		March 31,2018		Fair value hierarchy
	Carrying values	Fair value	Carrying values	Fair value	
Financial assets					
Measured at amortised cost					
Security deposits	0.05	0.05	0.05	0.05	Level 3
Cash and cash equivalents	51.28	51.28	52.52	52.52	Level 3
Financial liabilities					
Measured at amortised cost					
Borrowings	104.01	104.01	104.01	104.01	Level 3
Trade payables	324.24	324.24	324.24	324.24	Level 3
Others Financial Liabilities	48.74	48.74	49.33	49.33	Level 3

(iii) Financial Risk Management

The Company's activities are less exposed to liquidity risk and credit risk.

Risk	Exposure arising from	Measurement	Management
1) Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortised cost.	Aging analysis	Diversification of bank deposits and credit limits
2) Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowings facilities.

The Company's risk management is carried out under policies approved by the board of directors.

Credit Risk Management

Credit risk arises from the possibility that counter party will cause financial loss to the company by failing to discharge its obligation as agreed. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

Particulars	As at	
	March 31, 2019	March 31, 2018
Financial assets for which loss allowance is measured using Life time Expected Credit Losses (ECL)		
Trade receivables	114.43	120.82

HATHWAY DIGITAL SAHARANPUR CABLE & DATACOM PRIVATE LIMITED

NOTES TO THE FINANCIAL STATEMENTS

(All Amounts are Rupees in Lakhs unless otherwise stated)

Age of receivables (Gross)	As at	
	March 31, 2019	March 31, 2018
1-90 days past due	-	-
91-180 days past due	-	-
181-365 days past due	-	-
More than 365 days past due	114.43	120.82

Movement in the expected credit loss allowance	As at	
	March 31, 2019	March 31, 2018
Balance at beginning of the year	120.82	120.82
Movement in expected credit loss allowance on trade receivables calculated at lifetime expected credit losses	(6.39)	-
Balance at end of the year	114.43	120.82

The concentration of credit risk is limited due to the fact that the customer base is

Liquidity risk

Liquidity risk is defined as the risk that the company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Management monitors rolling forecasts of the entity's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

Financing arrangements

The Co-Venture Company has committed to provide necessary financial support.
